- 23:** School Wide Spelling Bee (3-5 grades)
Paint Night 1700-1830 (RSVP req.)
- March 1:** Living Museum 0800-1100

Welcome to 2024!

We had a great kick off to the new year in January. We wrapped up the first semester of the school year and dove right into semester 2. It is hard to believe that we are half way through already! *A peek into the classrooms:* Our fourth grade students have had a blast studying magnetic fields and electromagnetics in science this month! In fifth grade, students held class debates on the use of renewable energy in the form of ethanol (corn). Students were also asked to find the strangest thing they could from home that contained corn. You would be surprised at some of the results! Students in grades three through five completed a few mid year interims in Math and ELA. We are all so proud of their hard work! Although, we had to reschedule a few of our planned events to Feb. 02, we were at least able to enjoy a few extra days off with some freshly fallen snow! Check out some of the fun our lion cubs had!

A4L Breakfast & CAKE!

This month started our new monthly Anchored for Life (A4L) Breakfast. Fifth grade students were selected to participate in the A4L program and act as mentors to new and departing students. Before new students start, the A4L students take part in hosting a school tour and providing information to incoming families. During the breakfast, the A4L students pass out kits to the students, introduce themselves to welcome new students and wish all the best to our departing students.

We also started our new LES CAKE Incentive Program this month, created by one of our very own fifth graders, Joven! **CAKE** stands for **C**aring **A**nd **K**indness **E**veryday! In this program, staff members hand out raffle tickets to students demonstrating continuous caring and kind characteristics during the school day. Each quarter, students will be allowed to turn in their collected tickets to our counselor, Ms. Strasner, for a chance to win an entire cake or for school store credit!

**Congratulations, Joven, for being nominated for the National PTA - 2024 Outstanding Youth Award!*

PTSA Upcoming Events:

Please join us for the next LES PTSA General Board meeting held on Feb. 07 in the LES Library 1645-1715. The last day to purchase Valentine Grams is Feb. 09! MOMC T-Shirt orders will run from Feb. 05-20. Grades 3-5 school wide Spelling Bee will be held Feb. 23 for our classroom winners & runners up!

Staff Spotlight:

This month, our staff spotlight goes to Ms. Briana Loafman! Ms. Loafman has been a substitute teacher in various positions at LES for almost three years. Most often, you can find her helping out our front office staff, down in the cafeteria, out at recess, or in the library. Ms. Loafman is always happy to lend a helping hand, even with the most daunting tasks. Every day she goes above and beyond the title of "substitute" to ensure the smallest of details are covered! Thank you, Ms. Loafman, for all that you do for our staff and our students!

Ms. Briana Loafman
Substitute Teacher

LES CAKE Incentive Program

**CAKE stands for:
CARING AND KINDNESS EVERYDAY!**

LES staff members will hand out raffle tickets to students demonstrating continuous caring and kind characteristics during the school day.

Each quarter, students will be allowed to turn their tickets to Ms. Strasner in room 142 for a chance to win a cake. There will be two cakes raffled per grade level, OR they can choose to use their raffle tickets at our PTSA school store. Each ticket is worth 10 cents.

Please contact susan.strasner@dodea.edu for more details.
